Label Name Clearly On Outside Of All Books**

**PE: - Swimming** – Payment method and cost of swimming will be changing from this year. Each class from Senior Infants to 6<sup>th</sup> Class will swim for 6 weeks as is the recommended amount of time on the curriculum. The cost will be **€40 per child for the 6 weeks** and **must be paid in advance** of your child's lessons, either at the beginning of the year or on the first day of your child's sessions. Whether your child swims on their swimming day or not the fee still stands as the pool do not make allowances for absences.

You are being given advance notice of these changes to allow you to save over the summer. Swimming is a part of our school curriculum therefore all children take part. You will receive a letter in September indicating when your child's class will swim. (1<sup>st</sup>-6<sup>th</sup> Classes swim from September-December, Senior Infants swim after Easter)
